Dear Valued Customer:

G4 Communications Corporation ("G4") and segTEL, Inc., a FirstLight Fiber company ("FirstLight") are pleased to advise you that an agreement has been reached whereby FirstLight will acquire G4's business, including your account. FirstLight is a leading provider of high speed Internet, voice and data services to enterprise, carrier and wholesale customers in upstate New York, Vermont, New Hampshire, Massachusetts and Maine.

Please rest assured that the transaction will not affect the services you currently receive from G4. You will continue to receive services from FirstLight with the same features and at the same rates, terms and conditions as you currently enjoy. Any changes to your service following the transaction will be made in compliance with your contract, service terms and applicable federal and state legal and regulatory requirements. FirstLight will automatically become your telecommunications provider on or after September 25, 2014.

This change will be completely seamless for you and you do not need to do anything in order for it to occur¹ – FirstLight and G4 will take care of all of the details and FirstLight will be responsible for any change fees associated with transferring your account. However, it is important that you be aware that you are responsible for continued payment of your monthly recurring and usage charges throughout this period. Any prepayment you have paid, if any, will be transferred with your account to FirstLight. Subject to the terms of your current contract, you may have the option to select another telecommunications carrier. However, we value your business and FirstLight looks forward to continuing to serve you.

If you have any questions regarding your current services or would like more information about the transaction, please call FirstLight's customer service department toll-free at 1-800-461-4863. Prior to the transfer, you may also continue to contact G4 with any questions or concerns you may have concerning your services at 1-888-703-0456.

¹ If you have previously arranged for a preferred carrier "freeze" on your voice telephone line, FirstLight will suspend that freeze in order to make the transfer and reinstate it upon completion of a transfer to FirstLight. If you have an alternate local telephone provider for your voice telephone line prior to a transfer to FirstLight, you will need to have that provider reinstate your preferred carrier freeze.
